

Retired Health Care Professional.

Ev has 2 grown children, 4 adult grandchildren and 1 great grandchild. She has always been an avid reader and a keen learner who is curious about a variety of global and local topics.

She has lived on Bear Mountain since 2011 and is grateful for all it has to offer. She was motivated to become involved in BMCA as a way to give back to the Community that quietly supported her during a time of personal loss.

Ev is in the process of serving her second term on the BMCA Board of Directors.
